Tasting Menu in Ten Steps € 200,00

Wine Pairing € 70,00

Up&Down:

menu beginning with the most complex dish and ending with the lightest.

Why this inversion of the classic way we eat?

We believe that by leading with the more complex flavours and finishing with the lightest, clean, and acidic dishes, it sparks mental curiosity and aids the body's natural digestive system and ultimately we get more out of the food and its flavours.
